

 Dominica Geothermal Development Company Limited <i>Powering a New Generation...</i>	Bid Clarification Request (In accordance with ITB 7.1)	Reference Number: RZ042100-PGG-COM-0012
Dominica Geothermal Risk Mitigation Project Contract		
Subject: Bid Clarification 0012 – Qualification experience		
Bid Document Clause: Part 1, Section III, item 2 – Qualification		
Detailed description of request We understood that if the tenderer is a joint venture, the lead member (partner with the highest percentage of participation in the JV) must not necessarily be the one who provides most or all of the specific experience. Please kindly confirm.		
Enclosures: None		
Response: The qualification requirements are set out in Part 1, Section III, item 2 – Qualification. This includes information whether the qualification requirements apply to all members combined, each member or at least one member of a joint venture (existing or intended). Regarding “specific experience” set out in Part 1, Section III, item 2 – Qualification, table item 4.2(a): All members combined of a Joint Venture must meet the requirement. This means the experience of individual JV members can be aggregated, subject to footnote 7 as clarified by Bid Clarification 0004		
Enclosures: None		
This clarification does not require an Addendum to the Bid Document.
