Reference Number:
RZ042100-PGG-COM-0037

Dominica Geothermal Risk Mitigation Project Contract

Subject: Bid Clarification 0037 - Crop Compensation

Bid Document Clause: In accordance with ITB 7.1

Detailed description of request

Crop Compensation: Please clarify who is responsible for paying farmers and landowners for damage to crops or other assets along the re-injection pipe route or other areas within the project site.

Enclosures: None

Response:

The Contractor is not responsible for compensating farmers and other landowners for damage to crops or other assets along the reinjection pipe route or other areas within the project Site provided that the construction activities are planned and approved and are in accordance with Part 02 – Specification, section 1.8 “Environmental and Social Compliance”.

Any failure by the Contractor to comply with the Environmental and Social Management Systems (ESMS) which leads to unplanned damage to landowners or the environment shall be made good by the Contractor.

Enclosures: None
